

Possible activities relating to bags

Scenarios can be used to engage students in making evidence-based arguments. This involves different kinds of inquiry.

They could be presented as:

- role-play – with students presenting the views of different characters
- concept cartoons – in which students can contribute statements

There should be an end point where a decision is made.

Design and test a bag for a specific purpose eg football boots, carrying books

Role play discussion about bags for specific purposes eg

- Cake sales
- Carrying lunchbox
- Carrying swimming kit
- Carrying PE kit
- Carrying school books

'Hot seat' activity a child to choose a bag a

Investigate how bags are constructed by taking them apart

Look at school policy (vote?) on the school branded book bags that every pupil must have. Evaluate options/choices
